# INSTALLING THE PERCH

## KEEP INSTRUCTIONS FOR FUTURE USE.

The table surface must be a minimum thickness of 15mm (0.6 in) and no more than a maximum thickness of 95mm (3.75in).

Slip the table chair onto the table lip/edge. 100% of the Top Paws must be in contact with the table surface.

Raise the height adjustment bar as high as possible.

Locate the tightening cap on the top of the height adjustment bar and turn to tighten the height adjustment bar against the bottom of the table.

**IMPORTANT:** Periodically check that the height adjustment bar is securely tightened.

**WARNING:** Always inspect the hook-on chair before use and make sure it is working correctly, that it is not damaged. Discontinue use if hook-on chair is broken.

## UNINSTALLING THE PERCH

### KEEP INSTRUCTIONS FOR FUTURE USE.

Locate the cap on the adjustment bar and slightly turn to loosen the height adjustment bar.

Press on the height adjustment button to release the tension completely, and then remove the hook-on chair from the table.

Discontinue use if hook-on chair is broken. Contact guzzie+Guss immediately for replacement parts or service.

**WARNING:** Never attempt to uninstall or close your hook-on chair with your child inside. Make sure your child is clear of moving parts.

Do not use without all locking/latching mechanisms attached and tightened securely to table surface.

## Using the Harness

---

The Perch is equipped with a 5-point adjustable harness system. The length of the shoulder straps can be changed by sliding the buckle on each shoulder strap.

The waist belts are adjustable on either the right or left by using the adjustment buckles on the waist strap.

To use the 5-point harness, insert the 2 waist strap tongues into the center crotch strap buckle from the right and left. The shoulder straps do not need to be detached each time the child is removed or seated in the chair.

**WARNING:** Always fasten the 5-point harness securely and properly around the child's body whenever the child is seated in the chair.

**WARNING:** Never leave the child unattended when seated in the chair.

The Perch is also equipped with a unique rear harness clip, which allows you to adjust the shoulder straps position on your child's shoulder.

## CARE & MAINTENANCE

---

- Regularly check the Perch for any damage or for missing components. Use only guzzie+Guss approved replacement parts available through authorized service centers.
- To clean the frame, wipe metal tubing with a soft damp cloth and mild soap or cleaning solution. Do not polish or use harsh abrasives.
- To wash the seat fabric, first remove the enclosed seat board. Fabric can be hand or machine washed. Use cold water and mild detergent in the gentle cycle.
- Do not use a dryer to dry fabric, only hang or air dry.
- Do not use any bleach based products to clean the Perch.
- Always dry metal parts to avoid the formation of rust.
- Continued and extended exposure to sunlight and the elements can change the colour of many materials. To avoid fading, always cover and store in a shaded area.
- To keep the fabric from shrinking, always place the seat fabric on the frame while still wet.
- For spot cleaning, use a damp cloth and mild soap, then air dry completely before storing.
- Always check the strength of the fabric each time the fabric is washed.
- Always store in a well ventilated area.
